

Our mission is to love and serve God through worship, outreach, and love for all.

2010 “Capital Fund” Drive

As a congregation we have always been able to come together to make great things happen for ourselves and for others in need. With our Haiti Mission we were able to raise over \$10,000 to help contribute to better lives for those less fortunate, our Hammer and Nail Club has done an outstanding job in repairing areas of the church, and more. We want to take this opportunity to thank you for your contributions to our overall mission.

Recently, we utilized a portion of our dedicated funds to repair our roof. We are starting a “Capital Fund” to raise money to repay the loan from our dedicated funds. The goal is \$42,000 which was spent on the roof.

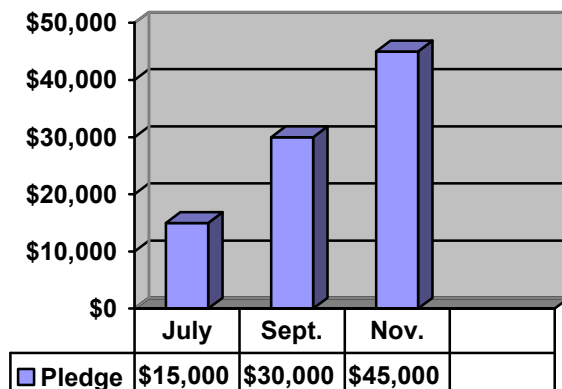

We have applied for a grant from the Diocese which will help restore some of these funds, but have not received approval for our request.

Any funds that are raised in excess of the \$42,000 “Capital Fund” will go towards other capital projects that may include:

- Resurfacing the parking lot
- Wireless microphone & hearing impaired units
- Air-conditioning in the sanctuary
- Replace furniture in Fellowship Hall
- Refurbishing bathrooms

Our “Capital Fund” drive will consist of a three year pledge (2011-2013) in varying amounts of \$250, \$500 and \$1000. To reserve your pledge today, please complete and return the enclosed form below in the box outside the sanctuary. Your pledge will stand as a testimony to your generosity and interest in the future of our Church.

Pledge Milestones have been set as you can see from the graph below. We will share our achievement with you along the way.

Our mission is to love and serve God through worship, outreach, and love for all.

I would like to pledge as follows: (please check the appropriate box)

Name _____

Envelope No. _____

One time donation \$ _____
